

## Christmas Without Barriers

An Inclusive Holiday Toy Drive with an Accessibility-First Focus

### Overview

Christmas Without Barriers is an inclusive holiday toy drive created to ensure all children can experience the joy of the Christmas season—while intentionally prioritizing accessible and adaptive toys for blind and visually impaired children. This initiative addresses a critical gap in traditional toy drives, where accessibility is often overlooked.

### Our Mission

The mission of Christmas Without Barriers is to create an inclusive holiday toy drive that ensures all children can experience the joy of Christmas—while intentionally prioritizing accessibility for blind and visually impaired children. Accessibility is not an add-on; it is the foundation.

### Who This Initiative Serves

- Children of all abilities
- Blind and visually impaired children intentionally centered
- Families across Northern Virginia

### Why This Matters

- Most toy drives do not consider accessibility
- Blind and visually impaired children are often unintentionally excluded
- Accessible, adaptive, and sensory-friendly toys allow children to fully participate in holiday joy

### Geographic Focus

Northern Virginia, including Alexandria, Fairfax County, and Prince William County

### Current Status

Planning underway for December 2026. Community partnerships and outreach are currently in progress.

### A Program of

IMperfektlymade Foundation
